

Existing Industry Continues To Grow In Greene County

a2b Fulfillment, Inc., located in the Greene County Industrial Park, is growing and growing fast.

a2b is a third-party logistics company handling fulfillment, returns and refurb, consumer direct and retail, e-commerce, customer service, and order management for products ranging from bulk paper to vitamins. The company's specialty is moving goods from point A to point B in an efficient, cost-effective process.

President Ayal Latz announced that the company recently opened a Call Center which has hired 13 new employees with plans to hire about 12 more in the near future.

This center housed within their current facility leverages customer service via phone, email, and chat. Total employment for *a2b* is 80.

This family run business began when Ayal's mother, father and uncle invented a board game and marketed it for sale. From that experience, Ayal developed an order fulfillment business for toy manufacturers. He saw the growth potential in order fulfillment and the rest is history.

The company initially began in Athens and now has expanded to its current location within the Greene County Industrial Park in an 180,000 sq. ft. facility. The entire operation is computerized utilizing state-of-the art equipment.

a2b recently processed 23,000

orders in a single day. "We're fortunate to be in a position to help so many small and medium-sized businesses by handling their distribution and customer service activities. This lets our clients focus on manufacturing and selling their products, which is good for their business, and ours." Sarah Latz, Human Resources Director added that "we provide a good service to our clients and instill our work ethic in our employees who take ownership in their role."

a2b Fulfillment was awarded the Large Business of the Year award for 2010 by the Greene County Chamber of Commerce in March of this year. For more information on *a2b Fulfillment*, please visit www.a2bf.com.
